

EXERCISE 2-1 Metric organization

For each time signature, provide the number of beats per bar, the value of the beat, and the division level. When possible, use beams to show the division level within each beat group. The first is done for you.

time signature:	$\frac{4}{4}$	$\frac{3}{8}$	$\frac{2}{2}$	$\frac{4}{16}$	$\frac{3}{2}$	$\frac{2}{4}$	$\frac{4}{8}$
# of beats per bar:	four						
value of the beat:							
division level:
