EXERCISE 7-4 Barring measures

For each example, provide the number of beats per bar and the value of the beat. Then add the missing bar lines, including double bar lines at the end of each example, according to the time signature. The first is done for you.

	EXAMPLE	# of beats per bar: four
		value of the beat: dotted eighth
	Given rhythm:	
	With bar lines:	. — =
(a)		# of beats per bar:
		value of the beat:
	∥ 2 J.	\
	" 4 0° 0° 000 0°0000000°	• • 6. 6.
(b)		# of hoots par bar.
(b)		# of beats per bar: value of the beat:
	c k k TT . k =	
(c)		# of beats per bar:
		value of the beat:
	10	
, IX		" (I) I
(d)		# of beats per bar:
		value of the beat:
	$\parallel \stackrel{12}{4} \mid \cdot \mid $
